## **\$20,000 Paid as Follows: \$5,000-Breeder! \$5,000-Trainer! \$10,000-Owner!**

Incentive is for the First Indian Artifacts' Foal to Win the Congress Miller's 3 YO HUS Open event or the Junior HUS at the World Show! As both events; the Miller's 3 YO HUS Open and Jr HUS events are held each year, this offers two different chances per year for an Indian Artifacts foal to win the \$20,000 fund. The Congress Miller's 3 YO HUS Open precedes the World Show in schedule; and if an Indian Artifacts foal wins this event, the Incentive will be paid out in full and the program will be considered over and closed. In the event that the Congress Miller's 3YO Open HUS class is not won by a foal by Indian Artifacts and the Jr HUS class at the World Show is won by a foal by Indian Artifacts, the Incentive will be paid out in full, and will be considered over and closed. A foal owned by DeGraff Stables at the time of either event is not eligible for the Incentive.

## **\$10,000 to the First Indian Artifacts' Foal AQHA SuperHorse!**

The Superhorse event is held each year at AQHA World Show, which gives an Indian Artifacts foal the opportunity to win this \$10,000 Incentive. To win this event the foal must be entered, shown and place in a minimum of three events and two categories with the highest accumulative points as per the rules of the AQHA Superhorse Award. Once an Indian Artifacts foal wins the Superhorse Award, the Incentive will be paid out in full and the program will be considered over and closed. A foal owned by DeGraff Stables at the time of the event is not eligible for the Incentive.

### **Additional Foal Engagements:**

AQHA Incentive Fund, NSBA & NSBA Breeders Championship Futurity, American Paint Horse Breeders Trust (LCFG), Just For Pleasure, Tom Powers Triple Challenge, International Hunter Futurity, American Warmblood Registry Stallion Program and Multiple State Futurities.
