The AWR Awards Program

Become eligible to receive the fabulous awards and the extra recognition you and your American Warmbloods deserve!

The American Warmblood Registry (AWR) has one of the most diverse award programs of any registry in North America. We recognize our American Sporthorse successes in Dressage, Jumping, Eventing, and Driving. We also offer awards to our American Warmbloods who are competing in the largest segment of the American horse show circuit - Hunters. In addition to having created a formal Hunter Breeding Program, the AWR is the pioneer among registries to encourage the accomplishments of our American horses in the North American Hunter divisions.

The AWR initiated the largest and most extensive Hunter Awards Program and has been steadily expanding it.
