Adequan USEA Gold Cup Series

What is the Adequan USEA Gold Cup Series?

Now in its eighth year, the Adequan USEA Gold Cup Series is an exciting format of competition and entertainment for U.S. Eventing, encompassing seven of the top eventing competitions from around the U.S. where the best of the best vie for prize money, trophies, and the title of Gold Cup Champion.

Horses and riders must achieve points together as a pair at the Gold Cup events, and both must be members of the USEA. First place winners take home 200 points for their win, and can also earn bonus points: 50 extra points for double-clear cross-country rounds, and 40 extra points for double-clear show jumping rounds. To learn more about how horses and riders rack up points, visit the [Gold Cup Points System](#) page.

Fabulous Prizes...and Cash!

Winners of each of the seven Gold Cup events across the country take home a trailer-load of prizes for their achievements. Winners receive an Adequan USEA Gold Cup Trophy, \$500 in prize money, 7-dose box of Adequan, a three-month supply of SUCCEED, and a pair of Nunn Finer American Style open front boots. Second place finishers also take home a 7-dose box of Adequan and a pair of Nunn Finer American Style open front boots.
